Your application for adjustment of status to that of a permanent resident has been approved, OR the conditions on your residence have been removed. The card production facility is in the process of producing your Permanent Resident Card (I-551). You should receive your I-551 card within a short period from the date of this notice. This letter does not convey any benefits and may not be used for legal purposes; it is merely notification of action and an advisement that card production has been initiated.

You should not travel outside the United States unless you receive your new Permanent Resident Card.

You must notify the United States Citizenship and Immigration Services if you change your address. Your card will not be forwarded in the mail should you change your address. If you do not receive your card within sixty days you may schedule an INFOPASS appointment at www.USCIS.gov to inquire into the status of the card.

Your legal representative has been provided with a copy of this letter.

Sincerely,

A handwritten signature in black ink that reads "Ricky Hamilton".
